

# Cherry Sundae

Grades 1-2

## Summary

This puzzle is perfect to show what “Out of the Box Thinking” really means. The rules are so simple, but the solution requires a leap of imagination. It is also a great puzzle to dress up with your own theme and story!

## Equipment Needed

- Puzzle Play Mat
- 4 sticks or toothpicks, all the same size
- One button or coin
- A sign that explains how to play and how to set up the challenge
- Add your own artwork and story to make the puzzle your own

## HOW TO PLAY

## Puzzle Set Up

Arrange the 4 sticks and the disk on the Puzzle Play Mat to form the image shown in the illustration

## Your Objective

Move two matchsticks to get the cherry out of the sundae glass. The glass may be turned in a new direction, but the cherry will not move and must end up outside the glass.
